BURSARIES AWARDED

Herbert Powers

Gerald Scheiffert

The Scholarship Committee of the University of Saskatchewan has announced that the two bursaries provided by the Regina Control Store have been awarded to Herbert Verne Powers and Gerald Scheiffert. Herbert is the son of Mrs. M. Powers, Prince Albert, and Gerald is the son of Mr. and Mrs. Wm. Scheiffert, Regina. Both attend the Saskatoon Campus.

The bursaries of \$250.00 each are given annually to students who have satisfactorily completed their first year course at either the Regina or Saskatoon Campus and are entering their second year. These students must be dependents of Simpsons-Sears employees in Saskatchewan.

The selection of the successful applicants was made by the University Scholarship Committee.

Our congratulations to Herbert and Gerald. We are sure they will be worthy recipients of this year's awards.

JANET HANEY RETIRES

The news that Janet Haney was retiring seemed incredible! When talking to her on the eve of her retirement from the Personnel Department at Simpsons-Sears, her sincere interest in people was very evident as the key-note of her work.

Born on a farm homestead at Stoughton, Saskatchewan, she began her education in a country school, then worked in the post office for a year until she was the required age for entrance in Regina Normal School. For a while she taught at Congress and Elbow, where a range of nine grades and as many as forty students tested the ingenuity of their young teacher. But Janet's period of study in Regina fostered a yen for city life. In 1927 she accepted a position in Simpson's Accounting Department and worked for eight months for Mr. F. E. Doull, Store Comptroller at that time. Soon the opportunity came to work with people in a more personal relationship when she transferred to the Returns and Complaint Department as assistant manager to Miss M. Wilson. Life had its moments of humor and suspense as this new work progressed! The growth of the Company in the early 40's saw the department moved to the Service Building and a brief period of training in Toronto brought new office procedures to the Regina Branch.

1943 was another well-remembered milestone as Janet was appointed Manager of Employment and Training—now the Personnel Department. In the years that followed important developments in personnel programs were ushered in—Profit Sharing, our own "Digger", the first 25-Year Club trip, retirement security, to mention but a few.

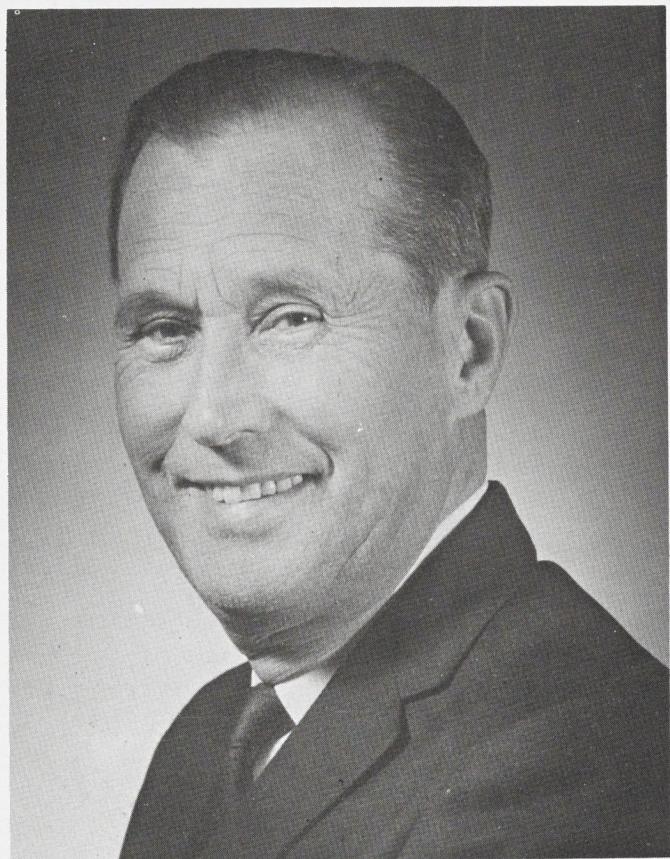

The acquisition of the R. H. Williams Company, and the transition to Simpson's and Simpsons-Sears brought opportunities to be of service to both staffs—then in 1954 work with Simpsons-Sears became her full-time assignment.

Specialized training to instruct in J.I.T., Work Simplification and Job Relations enabled Janet to pilot courses that have been of great benefit to trainers and learners alike and have made a very noticeable contribution to the success and efficiency of our store. She is a Charter Member of the Regina Personnel Association.

Reminiscing about personal activities, she recalled such things as joining the 25-Year Club in 1952, and public speaking group instruction. Bowling, curling, golfing and the Camera Club provided fun and recreation in a different dimension. Fields of service that in varied circumstances have benefitted, and continue to do so, from Janet's participation—Victory Loan Committees during World War II, the Community Chest and the Regina Family Service Bureau. She is a former president of the Board of Directors of the Y.W.C.A. and was actively engaged in their current Building Campaign. She is past president of the Zonta Club of Regina, an international women's service club, and is often found helping with their main project of providing weekly outings for the handicapped children of the Physical Rehabilitation Centre. She is a member of Westminster United Church. Janet lives with her mother in Regina and is very interested in her niece's lively family in Calgary; and last, but not least, enjoys a hide-away at Regina Beach.

Retirement for Janet merely means more time to follow her favorite pastimes of travelling and being actively interested in the people around her. Our warmest good wishes go to her for many years of active retirement.

DORIS BENNETT

STAN LARKIN RETIRES

Stan celebrates his forty-fifth anniversary with the company on February 2, 1966, and his retirement on February 4th. (Editor's note: ... and by golly, we could practically have used the same picture as appeared for his twenty-fifth anniversary—he hardly looks a day older!)

Stan is a native of London, England, where he took his schooling and started his sports career with soccer. A radio course led to an appointment to the SS "Stork" on November 11, 1918, and he took to sea for the next two years.

In December, 1920, he made the decision to come to Canada. On February 2, 1921, he started with Simpson's where his brother Jim was already working. From his first job as mail filler in old Department 45, he moved into Heavy Goods. From those early days of heavy goods come the stories of the "old chicken coop", a warehouse on the corner of Rose and Dewdney, where winter was inside as well as outside of the building. He took over supervision of Heavy Goods in 1932. In the days when the company had Agencies, Stan was in it from the beginning. Under his guidance the Agency Branch of the business developed and flourished. He opened new locations all over Saskatchewan, Manitoba and as far as western Ontario. To mention some of those Agency men he worked with, Scoop Hunter was at Prince Albert and Bill Anderson at Moose Jaw. Stan will tell you lots of stories about the dirt roads in those days—for instance, he said, "When you see a cloud in the sky you head for the gravel quick". At the beginning of the war the Agencies closed down, and in 1941 Stan was put in charge of the outside warehouse in Regina. In 1943 he was appointed Assistant Manager, Mail Order Operating; and upon Mr. Tasker's retirement he took over his present duties as Merchandise Superintendent in October, 1950.

In the war years Stan was Commanding Officer of Regina Sea Cadet Corps "Impregnable". He is a member of the Masonic Order and has been on the Executive of the Navy League. In all his forty-five years with the company, Stan has been a faithful supporter of the Social Club. He was always willing to do his share of work, and as for his speeches and presentations!—Well!—His charm and skill at putting across those jokes earned him a top-notch reputation.

Sports have been one of his main interests. In the 20's he played soccer in the Regina Football League. The highlight of this career was getting to the Western finals in Winnipeg in 1929. Stan has been a bowling enthusiast all his life. Who remembers Bernards Bowling Alley, corner of Hamilton and 12th! He has been with our Social Club League, and with the Regina Senior Five-pin League since its inception, and is a Past President. Twice he has been the winner of the Pete Gottselig Trophy, for the most valuable and sportsman-like player to his team. For over thirty years he has organized Boxing Day bowling for the men of the store, which will be sorely missed. He's been a curler too with our Social Club League. Golf is one of Stan's great loves. He is a member of the Regina Golf Club, and takes part in our House competitions. At the last Golf Banquet a trophy was very fittingly donated for annual competition, in honor of Stan's devoted years to the League.

Stan's future plans include an immediate trip to New Zealand to visit his sisters and relatives. He says he'll continue living in Regina but will probably head for warmer climates when the snow begins to fly.

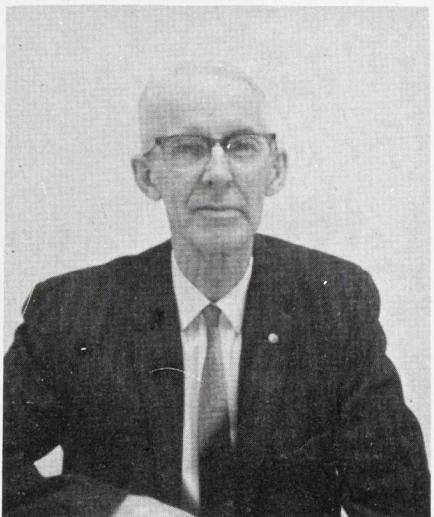

HANK BRITTON

MARY MURRAY

Retired January 14, 1966

Mary came originally from Minnesota, but her family homesteaded at Estuary, Saskatchewan. Mary has lived in Regina for many years however, and definitely claims it as her home town. Back on April 4, 1928, Mary started working for Simpson's as a sales clerk. Mr. Fogarty was one of her early bosses, and in 1936 she moved up to the seventh floor and worked for him in the old Boxing Room. She remembers Noble Britton too in those days. She was there for several years until she moved to the third floor returns, where she has been for the last five or six years. Mary joined the 25 Year Club, and took the trip in 1953, and has enjoyed attending the 25 Year Club banquets and teas here ever since. Coming from a large family, Mary has lots of relatives to visit back and forth with, with two sisters and a brother in Regina, and brothers around in neighboring towns, and numerous nieces and nephews. She has also been a member of the Ladies of the Royal Purple. She is looking forward to having more time for her hobbies—it sounds as if sewing and gardening will keep her busy; and she hopes even to have time to brush up on her piano playing that she enjoys. Mary and her husband are likely to be making plans for a trip to Scotland in the not-too-distant future to visit his sister and relatives there.

GORDON CREARY

Retired January 5, 1966

Gordon was born and raised at Wapella, Saskatchewan, and lived for a while at Riverhurst, Saskatchewan before coming to Regina. He started with the R. H. Williams Company in July, 1932, working in the Shoe department. In 1949 he transferred to the City Delivery Department, working at the Exhibition Grounds and at the Mail Order. In 1950 he came back to the store, working in the Mailing Room on the lower floor. Finally in 1957 he went to the new Ninth Avenue Warehouse as the Out-Of-Town shipper, where he was of invaluable assistance to all and everyone with his friendly advice and knowledge of the shipping business.

Gordon's main hobby is photography. He also does quite a bit of travelling and coin collecting. He is also a long standing member of the 25 Year Club, joining in 1957.

Gordon plans to stay home and take things easy with perhaps a trip to San Francisco to visit his daughter who is a nurse there. Best wishes, Gordon. We hope to see you often.

ANNA DORMUTH

Retired January 28, 1966

Montmartre, Saskatchewan, is the town where Anna grew up and went to school. It was in 1930 that the Frass family moved into Regina. On October 22, 1930, Mr. Strain picked Anna out of that crowd at the Employment Office. She stayed in the "Fix-up" for a couple of years and then went up to the Seventh floor in old 17 Department. She has been the Control Buyer for jewellery for the past several years. Anna has two sisters and a brother living in Regina, with another brother at Odessa. She is the "pet aunt" to all those nieces and nephews! (—and now grand-nieces and nephews.) Anna is a member of St. Marys' Church, and of the Catholic Women's League. When she was younger and friskier, she says, she used to have time for lots of card games with friends, for bowling with our Social Club, and for fancy work and knitting. Maybe, Anny, when the tired Anna is re-tired, eh? It's very evident right now that the love of her life is the family cottage at B-Say-Tah. For the last seven years Anna and husband Max have been taking off for Phoenix or Palm Springs about this time of year. This time they're going to go again but in a more leisurely fashion, and do what they feel like, and come back when they feel like, maybe in three months or so. Have a good rest, Anna!
